      - i. Coordinate the business of the Board, including developing meeting agendas, with Board chair.
      - ii. Schedule dates and meeting locations for Board meetings.
      - iii. Attend all meetings of the Board.
      - iv. Take minutes of Board meetings and share and manage all documentation related to Board business.
      - v. Manage a board subcommittee to develop the annual budget; prepare budget documents for subcommittee review.
    - b. WPLC Digital Library Steering Committee
      - i. Coordinate the business of the committee, including developing meeting agendas, with committee chair.
      - ii. Schedule dates and meeting locations for committee meetings.
      - iii. Attend all meetings of the Digital Library Steering Committee.
      - iv. Take minutes of committee meetings and share and manage all documentation related to committee business.
    - c. WPLC Subcommittees and Workgroups
      - i. Act as subcommittee or workgroup chair.
      - ii. Coordinate recruiting members for subcommittees and workgroups.
      - iii. Develop agendas and schedule dates and meeting locations for subcommittee and workgroup meetings.
      - iv. Develop and manage process and timeline for subcommittees and workgroups to complete their charge.
      - v. Attend all meetings of the subcommittees and workgroups.
      - ~~vi.~~ Take minutes of subcommittee and workgroup meetings and share and manage all documentation related to committee business.
      - ~~vi.~~ Produce requested supporting materials for the subcommittee or workgroup, including doing research, developing and fielding surveys, gathering statistics.

- d. Assist with coordinating selection and election of Board and committee members and chairs as needed.
- e. Maintain a calendar and schedule of all governance-related meetings.
- f. Coordinate all associated activities related to annual review of digital collection development and digital content buying pool development and the creation of the annual WPLC budget according to the schedule developed in conjunction with the Board and Steering Committee prior to the start of the calendar year.
- g. Coordinate and manage planning of the Annual Member meeting.
- h. Provide budget updates to all committees as appropriate.

## 2. Communication

- a. Be responsible for internal communication to WPLC members, to WPLC Board and WPLC committees and workgroups.
- b. Regularly update WPLC email list and promote the list as the key communications vehicle to reach individual public libraries.
- c. Maintain WPLC Board and committee email lists and send updates and communications as appropriate.
- d. Post information to the WPLC website home page. This includes keeping information on site up to date, posting WPLC governance and informational documentation as a blog.
- e. Communicate necessary website changes to the website manager (currently Winnefox).

## 3. Project Management and Product/Service Research

- a. Carryout or oversee implementation and operation of projects and research approved by WPLC Board and/or committees.
  - i. Digital Library:
    - 1. Coordinate the selection for the collection: Develop and maintain process for choosing new content, maintain selection policy, place orders for content, act as first responder to any challenges raised about the collection, and work with Digital Library vendor partner on selection issues.
    - 2. Forward files of MARC records, maintain MARC record distribution lists, and assist with MARC record problem solving.
    - 3. Serve as liaison between Digital Library vendor partner and WPLC for various tasks, including interface design and changes, authentication, support concerns, contract questions, software upgrades and advocating for improvements.
    - 4. Provide assistance to the systems and library staff that respond to patron requests for technical support, including sharing information about updates and outages, identifying issues and working with Digital Library vendor partner to resolve said issues, maintaining and participating in an online community for support providers, and coordinating training and documentation as needed.
    - 5. Share training opportunities and schedule additional opportunities as appropriate.
    - 6. Produce monthly usage and collection statistics.

7. Respond to requests for information about WPLC collection from other libraries, researchers, and media.
  8. Stay up to date on product development and functionalities and communicate this information to WPLC members.
- ii. Product and Service Research and Exploration
1. Bring new project ideas to the Board and committees, after consultation with the Board or committee chairs.
  2. Provide product and/or service research, implementation plan development, implementation work, and necessary committee or workgroup management for exploration of new projects as directed by the Board and committees.
    - a. Create and manage associated budgets
    - b. Seek funding sources, including applying for grants.
    - c. Manage relationships with external partners.
    - d. Provide updates to WPLC committees and workgroups.
  3. Should new vendors be identified and new platforms launched via WPLC, WiLS and the WPLC Board will determine project management duties WiLS will fulfill with the new platform and any additional compensation required to perform such duties.
4. Fiscal Agent
- a. Gather and manage data to calculate WPLC system member fees, including digital content buying pool.
  - b. Invoice WPLC system members for their share of WPLC revenue budget, including digital content buying pool shares.
  - c. Manage grant applications and grant awards.
  - d. Pay all invoices related to WPLC.
  - e. Create monthly budget update summaries.

WPLC agrees to:

Compensate WiLS in the amount of \$52,000 based on a maximum of 600 hours of work. This total covers all expenses for carrying out duties including travel, supplies, phone etc.

Payment schedule:

- January 1, 2016: \$26,000
- July 1, 2016: \$26,000

Compensation does not include for work as fiscal agent. WiLS retains interest gained on the WPLC fund balance WiLS holds for WPLC. This interest acts as the compensation for all work related to the services provided in #4 - Fiscal Agent.

In the event that the work to be done exceeds 600 hours, additional compensation will be negotiated. WiLS agrees to report status of hours to the WPLC Board Chair at the end of each quarter. Work may be scaled back in lieu of additional compensation.
