

WPLC Statistics Workgroup Charge

Purpose: To develop ways to help WPLC members gain an understanding of the statistics available to them through OverDrive and to help simplify the process of presenting that data.

1. This group will identify the OverDrive use and collection statistics needed at the state, system and local library level.
2. This group will identify ways to best share and use statistics.
3. This group will recommend the creation of templates for infographics, charts, and other ways to feature data.
