

WPLC Collection Development Committee 2020-2021

Charge

To evaluate the composition of the collection purchased by the digital buying pool with particular attention on known concerns and potential additions to the collection.

Specifically, the committee will:

1. Solicit feedback from the community regarding the collection.
2. Create recommendations related to the collection.
3. Review and offer recommendations for revisions to the selection policy.
4. Annually, create recommendation for the buying pool allocation.

Committee Membership

The Committee will consist of three representatives each from the Board, Steering Committee, and Selection Committee, and will be geographically representative. The group is a committee of the Steering Committee and will report to the Steering Committee.
